

MORAL AND SPIRITUAL EDUCATION

We are proud of our links with the church, and Christian principles underpin much of our practice. We believe that religious education will contribute to the growth of each child as a whole person. It will help develop self-awareness, an understanding of and respect for others and of the world in which we live. Our assemblies are Christian in character, but we value opportunities to explore other faiths.

Rob Haarhoff, Vicar for All Saints' Church, Clive visits school to lead collective worship on a weekly basis and has also contributed, when necessary, to religious education lessons. A monthly collective worship takes place in All Saints' Church in Clive.

Other special acts of worship celebrated in All Saints' include Harvest, Christmas, Easter and a Leaver's Service. Parents and members of the community are invited to attend these acts of collective worship.

Religious education is taught within the school through class themes and using the local authority agreed syllabus.

If you have any concerns about your child taking part in our assemblies please contact the Headteacher.
