The event could include a band and a bar.</p> <p>Depending on the weather it could be an event in the field, and so more could attend, or if it was in the village hall the event would need to be a ticket event – but with tickets being free. Although money could be made on the bar, the main reason for the event was to celebrate the anniversary of FOCS.</p> <p>Kate to progress.</p>	<p>Kate</p>

<p>Facebook</p> <p>Kate said that aim of the FOCS Facebook page was to inform parents of up and coming events, to celebrate events which had taken place and to thank parents for their support.</p> <p>Last month, a comment was made on the page which wasn't in keeping with the spirit of the page, and which should have gone through official and more appropriate channels. The comment was made by a parent at school. They were asked to remove the post, but which was eventually removed on their behalf.</p> <p>Parents are reminded of the appropriate channels to raise complaints.</p>	
<p>Reserve account</p> <p>Paul Hewitt had suggested Premium Bonds for the FOCS reserve account. This would still give easy access to funds, but with the potential of earning more than the current rates of interest. Paul to check if charities could set up premium bonds.</p>	Paul
