Girls football

"Somewhere behind the athlete you've become and the hours of practice and the coaches who have pushed you is a little girl who fell in love with the game and never looked back...play for her."

— Mia Hamm
Award-Winning Professional Soccer Player (1987-2004)

Sports do not build character.
They *reveal* it.

- HEYWOOD BROWN

Quote:

Girls should never be doubted about
playing football!

Girls who love football
are not weird. They're
a rare gift from God.
Those girls get bigger
diamonds!
