This in turn makes them better able to learn. • Children facing personal challenges, either in school or at home have an identified Learning Mentor to talk to. • The Learning Mentor is able to liaise with outside agencies and help to determine where children and families can be best supported. • Attainment for children receiving Pupil Premium is maximised. • Through relevant training the Learning Mentor is able to identify what programmes can best support individual children.
	Peripatetic Music Teaching £300	To enable children to learn an instrument.	Children have the opportunity to develop their musical ability through their chosen instrument.
	Residential Visits/Visits £300	To enable children to attend residential visits.	Children are fully included in all school activities which take place out of school time e.g. residential costs.
	Extra-Curricular Activities- approximately £450	Pupil Premium funds are used to ensure qualifying pupils are able to participate in extra-curricular activities, to provide equality of opportunity.	Children were able to participate in after school educational activities such a football and dodge ball.
	Resources	Additional resources	Children's individual needs

	£100	appropriate to individual children e.g. magazines, books.	are met with resources which engage them in their learning.
	Referrals for Early Help £150	Working with families, The Learning Mentor can seek support from outside agencies such as Enhance. Referrals are completed online, with the family, by The Learning Mentor or our Special Needs Coordinator. This process was completed for several families in 2016-2017.	Children and families feel supported and as a consequence the children are better able to learn leading to better self-esteem and achievement.
