## Woodland School

We received this lovely letter from Mrs Logan in support of Woodland School this week. If you would like to offer your own letter of support please e-mail or hand into the school office.

I wish to convey my support for the proposed woodland school. I think this would be a fantastic opportunity for the children of Clive School, and given the unique and rural location of the school I think it is a very suitable extension to the classroom environment. I have looked into the benefits of Forest School activities in the past and feel it would be a huge benefit not just to the younger children but to those of all ages. With one child in Nursery and one in Year 3 I would be delighted to see them both have the opportunity to use this site and will provide support for the preparation wherever possible. Clare Logan.
