## SWIMMING

Please could Red Squirrels wear PE kit with school sweatshirt for their swimming day. Thanks

## ABSENCE

Please let the office know (via phone, email or website) if your child is off school for illness.

For appointments during the school day (doctor, dentist, hospital etc) please ask the reception for an appointment card and hand this in to the office.

Alternatively, a copy of the appointment letter (we can photocopy for you).

It would be most beneficial if appointments could be avoided during school hours as the children often miss important teaching points or activities.

Obviously, there will be occasions when this isn't possible and we understand that.

## EARLY HELP

Being a parent can be very rewarding and enjoyable. It can also be worrying, frustrating and exhausting. There may be times when you feel that you need some extra help and support to be able to manage the challenges that many parents face.

These may be challenges that come from a sudden upheaval, ongoing change or just from everyday family life. They could then impact on the whole family or on individual family members, and place stress on relationships within the family.

In Shropshire we give parents the support and guidance they need to be able to meet the needs of their children, through offering parents early solutions to challenges that arise.

These early solutions could be through services which are available to all parents, or it could be that services will be offered through more targeted support.

In the first instance you can contact the Family Information Service to find out which services are available by calling 01743 254400, or [search for services yourself](#).

If you want to talk about your concerns you can call 03456 789 021.
