WRAP AROUND CARE

Please use the booking forms to book in for Wrap Around Care - Breakfast Club and After School Club. It is **essential** that children are booked in by the end of school on Fridays if tea is required the following week. If not, we try our best to provide a tea but it may have to be a sandwich or beans on toast rather than the pizza or baked potato on the ASC menu. Shopping is done after school on Fridays. Booking forms are available at:

[Clive CofE Primary School: Wrap Around Care](#)

MACMILLAN COFFEE MORNING

We shall be taking the children to the coffee morning in the Village Hall on Friday 29th. We are asking for a donation of £1 for their cake and drink and support for this important charity.

WATER BOTTLES

Please could **clear** plastic water bottles be used for the children's water. We do encourage the children to drink through the day and their bottles can be refilled from a filtered tap in the classroom. Bottles need to be clearly labelled with your child's name to avoid any chances of cross infections. We would prefer the children to have water. Thanks

Dame Rachel de Souza, Children's Commissioner for England: Following the launch of The Big Ambition last week, I would like to say a massive thank you to all the schools that have completed the survey so far - thousands of children have already shared their views. I am keen to build on this momentum. I want to hear from all children, in every part of the country and in every setting.

You can access the survey by visiting:

<http://www.childrenscommissioner.gov.uk/thebigambition>

SNACKS

We are happy for the children to bring snacks from home but would prefer these to be healthy options such as cereal bars or dried fruit. Children in Dormouse and Red Squirrels are offered fruit daily.

Our value for the term is '**THANKFULNESS**'.

EARLY HELP

Being a parent can be very rewarding and enjoyable. It can also be worrying, frustrating and exhausting. There may be times when you feel that you need some extra help and support to be able to manage the challenges that many parents face.

These may be challenges that come from a sudden upheaval, ongoing change or just from everyday family life. They could then impact on the whole family or on individual family members, and place stress on relationships within the family.

In Shropshire we give parents the support and guidance they need to be able to meet the needs of their children, through offering parents early solutions to challenges that arise.

These early solutions could be through services which are available to all parents, or it could be that services will be offered through more targeted support.

In the first instance you can contact the Family Information Service to find out which services are available by calling 01743 254400, or [search for services yourself](#).

If you want to talk about your concerns you can call 03456 789 021.

Hello from the **Family Information Service** (FIS for short).
