SCHOOL SPIDER/WEBSITE

Please try and log in to the pupil area of the website and have a look at what is there. There is certainly a question for Badger Class to answer!

No Mow

Some of the children have been talking about how important insects are for plant growth and health. They have been thinking about all the plants that are good for bees. Did you know that dandelions are great for bees as they produce more nectar and pollen than most other flowers? Bees also mark the flowers with a scent that tells other bees that the flower has already been visited!! Please think about not mowing the whole lawn and leave some wildflowers for the insects.

STAR CHILDREN

Well done to Barnaby, Barnaby, Logan and Seb for working diligently through their SATs this week. Results should be available after 9th July.

STAR CHILDREN

Congratulations to James T who was voted, by parents, as most improved player for Wem Town under 8s! Well done James!!
