OFSTED - THE BIG LISTEN - WE WANT TO HEAR YOUR VIEWS!

The National Centre for Social Research (NatCen) is carrying out a short survey on behalf of Ofsted. We want to hear from parents/carers of children who are under 18 years old. It should only take around 10 minutes to complete. We are interested in views of, and any experiences with, Ofsted, including Ofsted's inspection, regulation and reporting practices. We really want to hear from a wide range of parents and carers, even if you don't have strong opinions about Ofsted, or haven't had any experience of Ofsted. The survey findings will be used to help Ofsted improve the way it works in the future.

Please click on the following link to find out more or take part in the survey:

You can look at our [Taking Part webpage](#) for more information about the research, and our [Privacy Notice](#) for what will happen to any information you give. Links to these webpages are also included in the survey.

Our value for the term is '[Service](#)'.
