WEBSITE UPDATES - WHAT'S NEW?!

Are you aware of the Prevent Strategy? Find out more information about it [here](#). Safeguarding regulations are updated annually in the publication [Keeping Children Safe in Education](#).

STAR PUPILS

Congratulations to Beatrice B. who won the 'Dedication' trophy along with silver attendance award at a recent Pony Club awards evening. Well done!!

INTERNET SAFETY

If you or your child experience any form of content on the internet that may be harmful, this can be reported using the following link:
[Report Harmful Content - We Help You Remove Content](#)
 The organisation www.internetmatters.org also has some superb advice and resources for parents who want to manage their children's access to the internet.

RECYCLING

We now have a collection box in school for used inkjet cartridges and photocopier toner cartridges that will be sent away for recycling. In the next week or so, we shall be sending information home about a scheme where you can send your old tech (phones, laptops, tablets) away (collected from school) to be recycled. In the UK, the average person apparently has 3 old mobile phones tucked away gathering dust. These old devices will be recycled and will raise some money for school funds at the same time!

Our value for the term is '[Compassion](#)'.

MILK

Children under 5 are entitled to a daily free portion of milk. Once they reach 5 years old, parents can order and pay for a portion of milk. Click here to find out more:

[Parents - Cool Milk](#)

Our school is proud to offer fresh, chilled milk to our children.
