Headteacher: Miss Nicola Brayford

### Getting to Clive CofE Primary School.

Our school is unique in many ways. Not least because there is limited vehicular access. This is great because it means that all our children (and staff) get a walk to school every day. It is also safer as there are few, if any, vehicles near the school gate at drop off and home times.

However, its location also brings challenges - especially for those who do not know the school. Hopefully these directions will help you find us fairly easily:

SATNAV: Use **SY4 5PU** as the post code (**for reference only**). The postcode for school will take you along a very rough track to Grinshill Dogs Home!! The 5PU postcode will bring you near to Clive Medical Practice. You can park along this road. Opposite the Medical Practice there is a private drive which is also a public footpath. Follow this, past the cottage on the corner to your left. As you get further up the hill you will see the school across the field. Follow the path through a narrow 'shut' between two stone walls, turn left and you will see the main school gate.

If you find yourself near the church in Clive (All Saints), park along Drawwell, by the field and follow the rough track - locally known as the 'Glat' (it is signposted). You will eventually get to the school.

For visitors with access difficulties or other additional needs, arrangements can be made to park closer to the building - please contact school in advance.

There is a rough track that will bring vehicles to the gate - contact the school in advance for further details.
