

# The School On Top Of The Hill

There's a school on top of the hill,  
A place where I belong,  
Where the sounds of play and laughter echoes,  
And we learn what's right from wrong.

There's a school on top of the hill,  
They say it's one of a kind,  
Happiness, fun and learning,  
Good friends you'll be sure to find.

There's a school on top of the hill,  
Where children climb high in the trees,  
They march up and down to Woodland school,  
And their playground is home to buzzing bees!

There's a school on top of the hill,  
Inside is a very special class,  
They make their teacher proud every day,  
And teaching them is a blast!

There's a school on top of the hill,  
It's not been the same for a while,  
Quiet classrooms and empty seats,  
But not long until we return with a smile.
